# **NSCD is recognised as a world-leading, international conservatoire for dance training, preparing contemporary dance artists for the profession.**

At NSCD we believe in the transformative power of dance. Our home is in the vibrant, cultural and student-friendly city of Leeds, a designated City of Dance in Yorkshire, England. NSCD's international staff provide excellent teaching in a supportive and friendly learning environment. We value each individual in encouraging the development of exceptional dance artists. Our strong industry partnerships and connections bring many international dance professionals to work with our students, preparing them for independent, sustainable careers within an evolving, global dance ecology. The diversity of our cohort from the UK and around the world enriches each student's artistic and creative identity.

NSCD graduates go on to become performers, choreographers and directors and to have wide-ranging careers across the dance and arts industry, nationally and internationally.
