## **WE ARE NOW INTERGENERATIONAL MOVEMENT GROUP**

*We Are Now* is an intergenerational project that dancer and choreographer Hannah Buckley began in 2015. She wants to use the project to celebrate intergenerational exchange and women, and to create space where women of all ages can come together, move together and have fun together.

Hannah is looking for women of all ages to join her in a weekly intergenerational movement session. The sessions are open to female / non binary people with a desire to move (no dance experience necessary) and who want to be creative with people of different ages.

The sessions will include improvised movement, creative tasks, relaxation techniques and conversation.

You can drop in to the sessions and they are free to attend.

The sessions will run on the following dates;

**June 8th, 15th, 22nd, 29th.**

All the sessions will be 2.30 - 4.30 at The Northern School of Contemporary Dance, 98 Chapeltown Rd, LS7 4BH.

There will also be more session dates in September, details tbc.

Hannah will also run an intergenerational Summer School

**Mon - Fri, 10am - 4pm from August 19th - 23rd.**

The Summer School costs £25 per person for the week (lunch provided).

This will take place at Yorkshire Dance, 3 St Peter's Buildings, LS9 8AH.

You don't have to come to the open sessions to attend the summer school.

For more information about the sessions email Hannah at
