

## **NSCD Annual Remuneration Report: 2022-23**

### **1. Introduction: Senior Staff Remuneration Code**

Northern School of Contemporary Dance (NSCD) considers that it is important that there is transparency and openness in relation to Designated Senior Post-holder (DSP) pay. This document outlines the mechanism by which NSCD's DSP remuneration is determined. It follows the principles set out in The Higher Education Senior Staff Remuneration Code introduced by Committee of University Chairs. Although use of the Code is voluntary, NSCD has adopted it.

DSPs are the School's most senior and highest paid staff. By adopting the Code, the school seeks to demonstrate a high standard of stewardship of DSP pay. It hopes that stakeholders can have confidence that appropriate oversight of DSP pay takes place, and that public money is being used appropriately.

The Code sets out the following principles:

- I. a fair, appropriate and justifiable level of remuneration;
- II. procedural fairness; and
- III. transparency and accountability.

Each of these elements are underpinned by several supporting principles and this report is intended to address those, covering the following topics:

- The responsibilities of the Remuneration Committee.
- Its membership
- The context in which NSCD operates
- An outline of the Designated Senior Post-holders' pay award 2022-23 and the rationale underpinning that decision
- The remuneration of the Principal
- The relationship between the remuneration for highest and lowest paid employees

### **2. The Responsibilities of the Remuneration and Staffing Committee**

The Remuneration and Staffing Committee is the body that determines the level of Designated Senior Post-holders' pay. The Terms of Reference for the Remuneration and Staffing Committee in 2022-23, and hence its responsibilities, can be found at Appendix 1.

### **3. Membership of the Remuneration and Staffing Committee**

As at 14 November 2023, the membership of the Committee was:

Mrs Kate Buckham – Independent Governor and Chair of the Committee  
Professor Peter Moizer – Chair of Governors  
Mr Ben Mitchell – Vice Chair of Governors (to July 2023) and Chair of Finance and Resources Committee  
Ms Cathy Myles – Independent Governor (from July 2023)

Ms Peri Thomas (Independent Governor) was Chair of the Committee until her resignation in March 2023.

The Clerk to the Governors acts as the Clerk to the Remuneration and Staffing Committee except where their remuneration package is being considered.

#### 4. Context

The School had a total income of just over £5.1M in 2022-23, of that approximately £4.7M is generated from undergraduate and postgraduate courses, being mainly from regulated tuition fees and grants for our UK and EU students, and funding body grants, with the remainder from international students and independent fee payers. From June 2022, the School became an independently registered higher education institution, receiving its funding directly from the OfS. We also receive approximately £200K of funding from the Department of Education for our Centre for Advanced Training. In addition, the School received a core grant from the Arts Council England of around £153K per annum as a result of gaining National Portfolio Status until 2023. Finally, the School received around £333K from other commercial activities such as theatre box office, studio lettings, weekly classes and short courses.

One of the School's key financial objectives is to increase the overall level of tuition fee income, in expectation that key grant funding from the OfS may be removed or reduced in the near future. This includes significant expansion of the education provision via the introduction of new courses which will increase the number of undergraduate and postgraduate students, as well as continuing with further internationalisation. Consequently, NSCD has to maintain rigorous financial discipline whilst at the same time looking to continue to invest in students, staff and facilities.

NSCD's staff cost for 2022-23 was just under £2.8M, employing during the year, 89 full and part time staff, equivalent to 51.5FTE. Of these, 67 receive a fixed monthly salary and the remaining 22 are paid via submission of monthly claims for hours worked. These are predominantly Learning and Participation and CAT teaching staff teaching weekend and evening classes, musician/accompanists and guest teaching staff on the undergraduate and postgraduate programmes.

The School, is a Scheduled Body and as such is required to offer occupational pensions to its staff. Both are defined benefits scheme, and as such employer contribution rates and benefits are relatively high:

<b>Scheme</b>	<b>Eligible Staff</b>	<b>Employer contribution rate</b>
Local Government Pension Scheme	<ul style="list-style-type: none"><li>• Business Support</li></ul>	16.00%
Teachers' Pension Scheme	<ul style="list-style-type: none"><li>• Teaching Staff</li></ul>	23.68%

DSPs are members of one or other of the above schemes.

In 2022-23 all staff, with the exception of the Senior Management Team, received a consolidated pay increase of 3% effective from 1<sup>st</sup> November 2022. It is proposed that in 2023-24 all staff will receive a consolidated pay increase of 3% effective from 1st December 2023.

#### 5. Designated Senior Post-holder's Pay Increase: 2022-23

The Remuneration Committee is responsible for advising and seeking the approval of the Governing Body on the remuneration of the Principal and Designated Senior Post-holders (DSPs). At 14 November 2023, the DSPs were:

Sharon Watson	Principal and CEO
Ruth Manning	COO and Director of Finance
Darren Carr	Vice-Principal and Director of Studies
Joan Matthews	Clerk to the Governors

In order to ensure that DSP salaries are benchmarked appropriately, the School participates in the Universities and Colleges Employers Association (UCEA) Senior Staff Remuneration Survey, which is widely used within the sector and provides comparative data for senior posts in a range of higher education institutions. The Committee considered the data from that survey, along with

other relevant comparative data, including from the commercial sector and other similar providers, and former CDD schools, at its meeting in March 2023.

The Committee agreed that Guild HE institutions with income of up to £40M was an appropriate comparator group, and that in light of the School's turnover of c£4M, target salaries should be set at 80% of the lower quartile figure in that group. The Committee did, however, recognise that some DSP salaries were closer to the target salary than others and agreed to award increases that reflected that, with effect from 1 April 2023.

In reaching its decision, the Committee:

- Received advice from the Principal summarising the performance of the DSPs
- Agreed that there were no performance management issues which would potentially preclude any DSPs from receiving a pay award.
- Were cognisant of the salary increases made to staff.

On the recommendation of the Remuneration and Staffing Committee, in May 2023 the Board approved a Senior Staff Remuneration Policy which set out the School's approach to the remuneration of its senior postholders.

A policy on the retention of income from external bodies was approved by the Remuneration and Staffing Committee in October 2021.
